### **Registering with the Bidding System**

You are strongly urged when creating or updating a Bidding System Vendor account to add additional company contacts to create their own login to the Bidding System. This will permit your invited contacts that have created their own login to manage (register, submit, edit and withdraw) Bids for which your Company is a Registered Plan Taker. In the event you are out of the office due to vacation, illness, etc. these additional contacts may act on your Company's behalf and have the authority to receive addendum notifications from the Bidding System, and where permitted by the terms and conditions of the Bid Call Document, to submit Bids electronically through the Bidding System and/or withdraw, edit, or acknowledge addendums on your behalf.

Do not include any additional contacts that you do not want to have access to view, edit, submit and/or withdraw a bid on your behalf, or who may be in direct competition with your company. For example, another division of your company that could compete for the same Bid Opportunity.

If you are an "Invited" company (not already registered in the Bidding System) it is imperative that you create your login from the link contained in the email invitation. Do NOT go directly to <https://placercounty.bidsandtenders.net> website and create a separate vendor account.

### **Electronic Bidding Instructions**

The following instructions are for Electronic Submissions Only. Refer to the Bid Document(s) for submitting in Hard Copy.

ELECTRONIC BID SUBMISSIONS shall be received by the Bidding System, no later than the time specified in the Bid Document.

For the above reasons, the County recommends that Bidders allow sufficient time to upload their Bid Submission and attachment(s) (if applicable) and to resolve any issues that may arise. The closing time and date shall be governed by the County's Bidding System web clock.

The Bidding System will send a confirmation email to the Bidder advising that their bid was submitted successfully.

If you do not receive a confirmation email, contact technical support at bids&tenders via email: [support@bidsandtenders.org](mailto:support@bidsandtenders.org) or at 1-800-594-4786

**DBE PROGRAM INFORMATION TO BIDDERS/PROPOSERS:**

**Placer County has not established a goal for this Contract.** However, proposers are encouraged to obtain DBE participation for this contract.

In April of 2009 Placer County adopted the California Department of Transportation (Caltrans) Implementation Agreement as a requirement to receive federal funding for projects. This established Placer County's DBE Goal and Methodology providing for a Race-Conscious (RC) and Race-Neutral goal program. On June 22, 2012 the Department of Transportation announced a change to the Caltrans Disadvantaged Business Enterprise (DBE) Program. Contract goals for federally funded projects authorized on or after July 1, 2012, must include ALL DBE groups (African American, Asian Pacific American, Native American, Women, Hispanic American and Subcontinent Asian American and any other groups whose members are certified as socially and economically disadvantaged).

As recipients of federal highway funds, Placer County must comply with all federal regulations, and make every effort to encourage and assist in the outreach and participation of DBE firms. The goal of the program is to insure non-discrimination and create a level playing field in which DBEs can compete fairly for Department of Transportation (DOT)-assisted contracts. The current DBE Program includes a Race-Conscious component (RC DBE Program) that will require race-conscious contract specific goals to be incorporated into all DOT-funded consultant and construction contracts. Race-Conscious contract goals and Good Faith Efforts will be required as part of the program compliance and will include ALL certified DBEs.
