8. **SAMPLES.** Samples of items, when required, must be furnished free of expense to Placer County and if not destroyed by tests will, upon request, be returned at bidder's expense. Samples of selected items may be retained for comparison.

9. **MANUFACTURER'S NAME AND APPROVED EQUIVALENTS.** Unless otherwise specified, manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification are intended only to identify the quality level desired. They are not intended to limit competition. The bidder may offer any equivalent product, which meets or exceeds the specifications. If bids are based on equivalent products, the bids must: 1) Indicate on the bid form the alternate manufacturer's name and catalog number; 2) Include complete descriptive literature and/or specifications; 3) Include proof that the proposed equivalent shall meet the specifications. The County reserves the right to be the sole judge of what is equal and acceptable. If bidder fails to name a substitute, goods identical to the bid standard must be furnished.

10. **INSURANCE AND INDEMNIFICATION.** The awarded bidder may be required to provide proof of liability, automobile, and/or workers compensation insurance. If required, the minimum coverage requirements will be identified in the bidding documents. All costs of complying with the insurance requirements shall be included in your pricing. The selected firm shall provide complete and valid insurance certificates within ten (10) days of the County's written request. Failure to provide the documents within the time stated may result in the rejection of the bid response and/or cancellation of the resulting contract or purchase order.

Unless indemnification requirements are stated otherwise in this solicitation, said requirements shall be as follows: The awarded bidder ("Contractor") hereby agrees to protect, defend, indemnify, and hold Placer County free and harmless from any and all losses, claims, liens, demands, and causes of action of every kind and character including, but not limited to the amounts of judgments, penalties, interest, court costs, legal fees, and all other expenses incurred by Placer County arising in favor of any party, including claims, liens, debts, personal injuries, death, or damages to property (including employees or property of the County) and without limitation by enumeration, all other claims or demands of every character occurring or any way incident to, in connection with or arising directly or indirectly out of, the contract or agreement. The Contractor agrees to investigate, handle, respond to, provide defense for, and defend any such claims, demand, or suit at the sole expense of the Contractor. Contractor also agrees to bear all other costs and expenses related thereto, even if the claim or claims alleged are groundless, false, or fraudulent. This provision is not intended to create any cause of action in favor of any third party against Contractor or the County or to enlarge in any way the Contractor's liability but is intended solely to provide for indemnification of Placer County from liability for damages or injuries to third persons or property arising from Contractor's performance pursuant to the resulting contract or agreement.

11. **FORCE MAJEURE.** If an emergency or natural disaster causes delay or interferes with the use or delivery of the products/services described in this bid, deliveries may be suspended as long as needed to remove the cause or repair the damage. An emergency or natural disaster includes fire, flood, blizzard, strike, accident, consequences of foreign or domestic war, or any other cause beyond the control of the parties. The County reserves the right to acquire from other sources any products/services during any suspension of delivery.

12. **TAXES.** Placer County is exempt from Federal Excise Tax; an exemption certificate will be furnished upon request. Placer County is not exempt from California State sales/use taxes. All applicable State sales/use taxes will be added to the purchase order.

13. **DELIVERY.** All prices bid must be FOB Destination, unloaded inside and assembled unless otherwise indicated.

14. **FIXED CONTRACT QUANTITIES.** Purchase order(s) for full quantities will be issued to successful bidder(s) after notification of award and receipt of all required documents.

15. **OPEN-END CONTRACT.** No guarantee is expressed or implied as to the total quantity of commodities/services to be purchased under any open-end contract. Estimated quantities/bid ratio or discounts from manufacturer's list price may be used for bid comparison. The County reserves the right to: issue purchase orders as and when required; or issue a contract for individual agencies or multiple County agencies; or any combination of the preceding. No delivery shall be made without a written order by the County, unless otherwise specifically provided for in the contract. If in a subsequent year the vendor offers to supply his goods and service for the same bid price, or in the event the supplier is willing to negotiate to the satisfaction of Placer County any justifiable price increase prior to the succeeding year's contract renewal and if the service provided by the supplier was to the satisfaction of the County, the County of Placer reserves the right to extend the period of the resulting contract on a year-to-year basis. Alternatively, the bid solicitation may set forth specific renewal terms. Bidder certifies that prices charged to the County for non-listed commodities or no-fixed price items are equal to or less than those charged the bidder's most favored customer for comparable quantities under similar terms and conditions.

16. **TERMINATION OF CONTRACT.** In the event of a material breach of the contractual obligations by the Contractor, the County may terminate the contract. At its sole discretion, the County may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than 10 working days from notification, or at minimum the contractor must provide the county within 10 working days from notification a written plan detailing how the contractor intends to cure the breach. If the contractor fails to cure the breach or if circumstances demand immediate action, the County will issue a notice of immediate termination. Supplier Contracts may be terminated by the County without cause upon 30 calendar days' written notice.

17. **NON-APPROPRIATION.** In the event that sufficient funds are not appropriated and budgeted for the payment of goods or services described herein, the agreement shall immediately terminate on the last day of the fiscal period for which appropriations were received or other amounts were available to pay the amounts due under the agreement, without penalty or expense to the County of any kind whatsoever, except that the County will be liable for payment of any unpaid invoices for goods or services which were delivered prior to the end of the last fiscal period for which appropriations were made.

18. **RIGHTS AND REMEDIES OF COUNTY FOR DEFAULT.** If any item or service furnished by the vendor fails to conform to bid specifications, or to the sample submitted by the vendor with his bid (if any), or if the vendor fails to deliver the items or perform any services required by the contract in the time and manner prescribed, the County may reject the products and/or services provided. Upon rejection, the vendor must promptly reclaim and remove any rejected items without expense to the County, and shall immediately replace all such rejected items with others conforming to such specifications or samples, and/or correct the service deficiency. If the vendor fails to do so, the County has the right to purchase in the open market a corresponding quantity of the rejected items, or have another firm provide the required service, and to deduct from any monies due the vendor the difference between the price named in the contract or purchase order and the actual cost to the County. If the vendor breaches the contract or

purchase order, any loss or damage sustained by the County in procuring items which the vendor therein agreed to supply shall be borne and paid for by the vendor. The rights and remedies of the County identified above are in addition to any other rights and remedies provided by law or under the contract. In any legal proceeding brought to enforce the terms of the herein agreement, the prevailing party shall be entitled to an award of reasonable attorney's fees and costs incurred as a result of enforcing the terms of this agreement.

19. **LOCAL VENDOR PREFERENCE.** A local preference credit of 5.0% for Placer County businesses will be permitted when evaluating bids for supplies, equipment, materials and services that are not part of a public project. Bidders claiming local vendor preference must submit an Affidavit of Eligibility with their bid, unless an authorized affidavit is already on file with Placer County Procurement. Preference criteria and affidavit forms are available on our website at: <https://www.placer.ca.gov/1408/Local-Vendor-Preference>

20. **INVOICES AND PAYMENT TERMS.** Invoices are to be mailed to the County department specified on the resulting purchase order or contract. All invoices must include the purchase order or contract number. Failure to comply will result in delayed payments. The County will make payment on a Net 30-day basis unless a cash discount is allowed for payment within the time period specified by vendor. The payment term shall begin on the date the merchandise is inspected, delivered and accepted by the County, or on the date a correct invoice is received in the office specified in the order, whichever is later. Prompt payment discounts shall be considered earned if payment is postmarked or personally delivered within the prescribed term. For the purposes of this section, the beginning date described above shall be considered day zero for the purposes of counting days in the prescribed term. For the purposes of bid evaluation, the County will only consider discount periods of ten (10) days or more. **LATE FEES:** In accordance with Section 926.10 of the California Government Code, Placer County may pay interest at not more than the rate of 6% per annum on invoices which are unpaid 61 or more days beyond the "beginning date" or "day zero" as defined above. In cases where this policy may conflict with other terms provided by the supplier, this provision shall prevail.

21. **LEGAL REQUIREMENTS.** Federal, State, County and local ordinances, rules and regulations, and policies shall govern development, submittal and evaluation of bids and disputes about bids. Lack of knowledge by any bidder about applicable law is not a defense.

22. **ASSIGNMENT.** Any contract awarded shall not be assignable by the vendor without the express written approval of the County, and shall not become an asset in any bankruptcy, receivership or guardianship proceedings.

23. **OTHER AGENCIES.** The successful vendor shall agree to extend Placer County contract prices and terms to other governmental agencies. Any contract resulting from this requirement shall be executed by the successful vendor and the other agency. Placer County will not be a party to "other agency" contracts.

24. **PROTEST AND APPEAL PROCESS.** Any actual or prospective bidder or contractor who is aggrieved in connection with the solicitation or award of a contract may protest to the Director of Administrative Services in the manner prescribed by Section 5.0 of the Placer County Procurement Policy. The protest shall be submitted in writing to the Director of Administrative Services within five (5) County business days after such aggrieved person or company knows or should have known of the facts giving rise thereto.

25. **RECYCLED PRODUCT PREFERENCE.** A preference of 10% will be given to bids for products meeting the definition of recycled product cited in Public Contract Code Sections 22150 - 22154. In order to be granted this preference bidder shall provide statements and/or documentation as supporting evidence that the product(s) meets the definition.

26. **PATENT INFRINGEMENT.** Supplier shall indemnify and hold harmless County, its agents and employees, against and from any and all actions, suits, liabilities, prosecutions, penalties, settlements, losses, damages, costs, charges, attorney's fees, and all other expenses which may arise directly or indirectly from any claim that any of the products supplied by supplier infringes any patent, copyright, trade secret, or other property right.

27. **VENDOR FINANCIAL STABILITY.** If a vendor is currently involved in an ongoing bankruptcy as a debtor, or in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the vendor under federal bankruptcy law or any state insolvency law, the vendor must provide the County with that information as part of its bid/proposal. In accordance with Section 3.12(g) of the Placer County Purchasing Policy Manual and paragraph 8.e. of this document, the County may use information regarding a bidder's financial responsibility when making an award determination.

The County reserves the right to take any action available if it discovers a failure to provide such information to the County, including but not limited to, a determination that the vendor should be declared non-responsible and/or non-responsive, and suspension or debarment of the vendor, in accordance with the processes defined in the Placer County Purchasing Policy Manual.

By submitting a bid/proposal in response to this solicitation, the vendor agrees that if, during the term of any contract it has with the County, it becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the vendor under federal bankruptcy law or any state insolvency law, the vendor will immediately provide the County with a written notice to that effect and that it will provide the County any relevant information requested in order for the County to determine whether the vendor has the financial ability to meet its obligations to the County.

28. **GENERAL HEALTH MEASURES AND CONDUCT.** The awarded firm(s) (Contractor) shall be solely responsible for ensuring that the Contractor's employees or sub-contractors are physically capable of performing the services described herein on County premises. The Contractor shall take all necessary measures to ensure that the Contractor's employees and sub-contractors receive sufficient training regarding contagious and infectious diseases and preventative measures to be taken within the workplace to protect the Contractor's employees and sub-contractors from exposure to or exposing others (including but not limited to County personnel and the public) to contagious and infectious diseases. Should the County or the Contractor observe any of their employees or sub-contractors exhibiting symptoms of a contagious and/or infectious disease (including but not limited to COVID-19) either prior to or during the performance of services on County premises, the Contractor shall immediately take measures to minimize or prevent exposure to County employees and/or the public consistent with government guidance and best practices. Such removal shall not be considered a basis for employee's claim for compensation or damages against the County, or any of its officers or agents. The employee shall not return to work on County premises until Contractor determines that the situation is resolved.
