Title: owner

By signature above, bidder hereby agrees to and accepts the terms, conditions and requirements specified in this bid, including the following bid documents and all related addenda (if any).

Registering with the Bidding System

You are strongly urged when creating or updating a Bidding System Vendor account to add additional company contacts to create their own login to the Bidding System. This will permit your invited contacts that have created their own login to manage (register, submit, edit and withdraw) Bids for which your Company is a Registered Plan Taker. In the event you are out of the office due to vacation, illness, etc. these additional contacts may act on your Company's behalf and have the authority to receive addendum notifications from the Bidding System, and where permitted by the terms and conditions of the Bid Call Document, to submit Bids electronically through the Bidding System and/or withdraw, edit, or acknowledge addendums on your behalf.

Do not include any additional contacts that you do not want to have access to view, edit, submit and/or withdraw a bid on your behalf, or who may be in direct competition with your company. For example, another division of your company that could compete for the same Bid Opportunity.

If you are an "Invited" company (not already registered in the Bidding System) it is imperative that you create your login from the link contained in the email invitation. Do NOT go directly to <https://placercounty.bidsandtenders.net> website and create a separate vendor account.

Electronic Bidding Instructions

The following instructions are for Electronic Submissions Only. Refer to the Bid Document(s) for submitting in Hard Copy.

ELECTRONIC BID SUBMISSIONS shall be received by the Bidding System, no later than the time specified in the Bid Document.

All Bidders who wish to respond to a Bid shall have a Bidding System Vendor account and may be required to be a registered as a Plan Taker for a Bid opportunity, which will enable the Bidder to download the Bid Documents, to receive Addendum email notifications, download Addendums, and to submit their bid electronically through the Bidding System.

Bidders are cautioned that the timing of their Bid Submission is based on when the Bid is RECEIVED by the Bidding System, not when a Bid is submitted by a Bidder, as Bid transmission can be delayed in an "Internet Traffic Jam" due to file transfer size, transmission speed, etc.

For the above reasons, the County recommends that Bidders allow sufficient time to upload their Bid Submission and attachment(s) (if applicable) and to resolve any issues that may arise. The closing time and date shall be governed by the County's Bidding System web clock.

The Bidding System will send a confirmation email to the Bidder advising that their bid was submitted successfully.

If you do not receive a confirmation email, contact technical support at bids&tenders via email: support@bidsandtenders.org or at 1-800-594-4798

Late Bids shall not be accepted by the County's Bidding System.

To ensure receipt of the latest information and updates via email regarding this bid, or if a Bidder has obtained this Bid Document from a third party, the Bidder shall create a Bidding System Vendor account for the bid opportunity at <https://placercounty.bidsandtenders.net>

File Uploads

All electronic files uploaded to this site must be in a common format accessible by software programs used by the County. Common formats are: Microsoft Word (.doc or .docx), Microsoft Excel (.xls or .xlsx), Microsoft Power Point (.ppt or .pptx), or Adobe Portable Document Format (.pdf). PDF format is the most preferred. Bidders shall not secure, password protect, or lock uploaded files; the County must be able to open and view the contents of the file. Bidders shall not disable or restrict the ability of the County to print, save, or copy the contents of an uploaded file. Scanned documents or images must be of sufficient quality, no less than 150 dpi, to allow for reading or interpreting the words, drawings, images, or sketches. The County may disqualify any bid response that does not meet the above criteria.

Addendums

Bidders shall acknowledge receipt of any addendum (if required) when submitting their Bid through the Bidding System. Bidders shall check the box for each required addendum and any applicable required attachment that has been issued before a Bidder can submit their Bid submission online.

Addendums will be issued through the Bidding System not less than four (4) County working days prior to Closing Time and Date.

In the event an addendum is issued in less than four (4) County working days prior to Closing Time and Date, it shall include an extension of the Closing Time and Date. It is the responsibility of the Bidder to have received all Addendums that have been issued. Bidders should check online at <https://placercounty.bidsandtenders.net> prior to submitting their Bid and up until Bid closing time and date to verify whether additional addendums have been issued.

If a Bidder submits their bid at any time prior to the bid closing and an addendum is issued by the County, the Bidding System shall WITHDRAW their Bid submission and change their Bid submission to an INCOMPLETE STATUS (NOT accepted by the County). The Withdrawn Bid can be viewed by the Bidder in the "MY BIDS" section of the Bidding System.

At that time, the Bidder is solely responsible to make any required adjustments to their Bid; acknowledge the addendum (if required); and ensure the re-submitted Bid is RECEIVED by the Bidding System by the specified Closing Time and Date.

Crosswalk Enhancements Project Bid No. 20184

Addendum No. 1

This Addendum consists of 3 pages and includes the following attachment: Pre-bid Site Meeting Attendance Sheet (1 page).

The deadline for responding to this bid remains the same, **June 3, 2021 – not later than 11:00 am.**

1. QUESTIONS

A Pre-Bid Meeting & Site Visit was conducted on May 18, 2021 resulting in the following questions and answers: Because the responses may be beneficial to all interested proposers, the answers are hereby provided as an addendum.

QUESTION	ANSWER
A. Are online ads acceptable for the Good Faith Effort submission?	Yes.
B. Can the County clarify if PG&E or the Contractor is responsible for the trenching and laying of conduit at the project sites?	<p>Per the Legend on that sheet, there is a clear description of what the contractor constructs, and what PG&E will furnish/install. Also makes reference to the PG&E specifications that are part of Book 2, Appendix C.</p> <p>Per Caltrans Standard Specifications, Section 87-2.01A; Lighting system includes:</p> <ol style="list-style-type: none">1. Foundations2. Pull boxes3. Conduit4. Conductors5. Standards6. Luminaires7. Service equipment enclosure8. Photoelectric control9. Fuse splice connectors10. High mast lighting assemblies

X John M. [Signature]

	<p>In short, Contractor is to construct the conduit w/pull tape, pull boxes, foundations, anchor bolts for the streetlight, paid for as "Lighting System" bid item 34, and PG&E will set the pole and pull wires.</p> <p>On Page 5 of the plans, callouts to the conduit, pull tape per PG&E specs should all read as 2 inch conduit. The callout that states "TO EXISTING PG&E PULL BOX 125' NORTH COORDINATE WITH PG&E" that is a "foot" mark. The callouts for the 2" conduits look different, and are different and should be inch.</p>
C. Will the County update the specifications to include trenching as a bid item if trenching is the responsibility of the Contractor?	Refer to Section 87 of the Caltrans Standard Specifications. Refer to Section 9-1.03 for Payment Scope.
D. The Lincoln Way crosswalk project site will involve trenching, however, there is no rock clause in the specifications. Will the County update the specifications to include the rock clause?	Refer to Section 87 of the Standard Specifications.
E. Will the County allow additional working days to complete the project for all 5 sites due to the location and mobilization, and material that will be required for the sites and to avoid safety hazards to the public and liability to Contractor while at the project sites (i.e. consider between 60 to 90 days for completion vs. 30)?	The County will revise the working days to 45.
F. Will the County allow the Contractor to work nights at the project sites if needed?	Yes, that can be considered at the following locations: Richardson Drive, Education Street and Lincoln Way
G. If the bid submitted by the Contractor exceeds the County's estimated cost of project/budget, will the County have the funding and budget resources to award to the lowest responsible bidder?	That depends on how much higher the bid is. The County has some flexibility but cannot guarantee an award if it is too high.
